Pray With Us: FEBRUARY – APRIL 2026

FAITH COMES BY HEARING FAMILY

Pray for current job postings. Ask the Lord to send qualified Christian applicants and grant wisdom and discernment to hiring managers and the HR team as they select candidates for each role.

Pray for staff members traveling—for safety, good health, and endurance.

Pray for wisdom, grace, and patience as Faith Comes By Hearing forges new ministry partnerships and strengthens existing ones. May God be glorified as these partnerships work in unity to accomplish the goals of Vision 2033.

Pray for our new AI innovation team. **Pray** that they would come to technology breakthroughs that significantly elevate our ability to record God's Word in every language and make it freely accessible to everyone.

Pray for our Global Logistics team as they navigate shipments to challenging countries in volatile situations.

Pray for our Albuquerque Production Team as they transition to the main Aztec building and work in closer proximity to our other teams.

Pray God would help us continue the servant-hearted legacy of our co-founder, Anet Jackson, who went to be with the Lord in December.
