The unfolding of your words gives light. – Psalm 119:130a

Oral Bible Translation AT A GLANCE

- ▶ 2,100 languages, representing 160 million people, have no Bible translation work started

- ▶ It is estimated that 70% of people are oral communicators

70%

ORAL BIBLE TRANSLATION:

- ▶ Greatly expands the pool of participants, as non-literate language experts can now be involved

- ▶ Allows translators to listen in a language they understand, translate orally into their mother tongue, and record their translation

- ▶ Allows portions of Scripture to be distributed in the community immediately

- ▶ Utilizes a unique software developed for oral users called Render

- ▶ Expedites the start of a project, as there is no need to develop an orthography

- ▶ Developed and launched in partnership between
